Dear Residents of Colbert County:

In a continuing effort to keep our County clean, the Colbert County Commission provides for the Operation of three trucks in operation as a White Goods Roadside Pickup Service. As Spring Cleaning time is upon us the number of pick-ups, made daily by our trucks, dramatically increases. In order to continue to operate as efficiently as possible we ask for your cooperation in observing the following rules regarding the Roadside Pickup Service:

- Items should be placed at YOUR residential dwelling, adjoining the County right of way in a manner as not to pose a danger to traffic while providing access for the trucks.
- Household goods such as mattresses, refrigerators, T.V.'s, washers etc. are allowed.
- LIMBS OVER 8 FEET SHOULD BE CUT into smaller pieces to allow for pickup.
- LEAVES AND GRASS CLIPPINGS MUST BE BOXED OR BAGGED.
- Yard debris and shrubs are allowed.
- If you clear off a lot where there is no dwelling, you are responsible for disposal of all debris from that lot.

Items NOT allowed under the Roadside pickup service include:

- Tires
- Batteries
- Construction Company or Commercially Generated debris
- Bio-Hazardous materials
- No grass clippings or leaves not bagged or boxed.
- Large tree stumps or tree balls
- Residential houses, trailers, campers or boats
- Slabs of concrete
- Debris from clearing/cleaning fence rows

Please do not place items in drainage ditches in order to avoid erosion and overflow of ditches onto roads.

If you choose not to use our service, the only community spot in the county to take your debris is the landfill which is in the phone book under Shoals Solid Waste Authority @ 256-381-9030. If you are caught dumping any debris in the county you will be fined for causing an illegal dump site.

Should you have any questions or require any additional information. please do not hesitate to contact our staff at the Colbert County Garbage Collection Agency @ (256) 383-9918. They will be happy to assist you.

Roadside pickup service is not allowed on State highways, therefore County will not pick up on State right-of-ways.

Your Cooperation is Greatly Appreciated.
